Alforten Defeats a Good Field of Two-Year-Olds-Carbuncle Carries 126 ounds to Victory-Stewards Investigate Orthodox's Reversal of Form. WASHINGTON, Nov. 23 .- The card offered

by the Washington Jockey Club at Bennings to-day, while not quite up to stake class, produced some good races. The track was in excellent condition, but the weather was ndy and raw, and the attendance was not a result of Orthodox's reversal of form

the Grand Consolation Stakes on Saturday, the stewards began an investigation.

Jockey Wonderly, who rode Orthodox when he ran badly, was questioned, and John McGraw, the baseball player, who said that Orthodox was dead under Wonderly, also was called up and questioned.

the fourth race, a handicap for two-yearolds at six furlongs, old course, saw J. A. Bennett's Handsel colt Alforten, 5 to 1, in front. Frank Farrell's Juvenal Maxim, Fuller up, despite the fact that he was carrying the heavy impost of 122 pounds, was roade an 8 to 5 favorite. The wise money, however, went into the ring on Marjoram, who was in very light, with only 105 pounds She was backed down from 10 to 1

who was in very light, with only 105 pounds to carry. She was backed down from 10 to 1 to 6 to 1, but finished a bad fifth, while the favorite, Juvenal Maxim, was sixth. Alforten just breezed in front and won easily by three lengths. Peter Paul was second to the last eighth of a mide, when Redfern brought Coppelia, 20 to 1, up and got the place by three lengths from Peter Paul Carbuncle, carrying 126 pounds, won the sixth race, a handicap for three-year-oids and upward at one mide, in a driving finish by a length and a half. Buttons, from the Thomas stable, was favorite at 13 to 5, but could only get fourth. Carbuncle broke in front, with Unmasked at his heels. These two faced this way amost the entire distance Both boys went to the whip in the last sixteenth, and, in a hot drive, Carbuncle won, with Unmasked second and April Shower, 10 to 1, third.

Eight sported silk for the hurdle race. Trapezist opened at even money, but his price was pounded down to 9 to 10. He justified the confidence placed in him by getting off in front. He gradually increased his lead and won pulled up by twelve lengths from Draughtsman, 7 to 2, who was second all the way and finished fifteen lengths in front of Meteorite, 50 to 1.

Ninespot, 4 to 1, won the first race, for mares and geldings, at one mile and seventy yards. Star and Garter, 6) to 1, made the running for seven-eights of a mile, with Miladi Love, backed from 25 to 1 to 15 to 1, second. In the stretch Redfern brought Ninespot up with a rush and won going away by four lengths. Star and Garter was second and Miladi Love third.

Sixteen maiden two-year-olds pulled out for the second race, at five and a half furflows. The form players were all at sea in this race, but finally made J. E. Madden's gelding Cedar Rapids a 7 to 5 favorite. Belle of Wakefield, with Bullman in the saddle, was played for a "good thing." Her price opened at 15 to 1, but quickly dropped to 8 to 1. She ran prominently for half a mile when she dropped back Leaten Meanwile, Fuller of Cedid Dome, 6 to 1, w

to 1, third.

Dramarist, 4 to 1, had an easy time of it in the fifth race, a selling event for three-sear-olds and upward. Dramatist went o the front at the quarter pole and was never afterward headed, winning easily by one ength from Fortunatus, 13 to 5, who beat loverland, 49 to 1, by four lengths for the place.

DR. WENTZ'S HORSES SOLD. Lord Brilliant, Many Times Champion Brings Only \$3,200.

A large crowd attended the sale of Dr. J. L. Wentz's show horses at the American Horse Exchange, Broadway and Fiftieth street, under the auspices of W. D. Grand, last night. The bright particular star of the sale was at the recent Horse Show at Madison Square Garden, besides being the holder of 405 blue ribbons and ninety championships. It was thought that the horse would bring at least \$5,000, but he was knocked down to W. B. White of Cleveland, Ohio, for \$3,200 Many horsemer thought that the animal's age, 15 years, kent prospective buyers from bidding

The unbeaten road pair, Lord Greystone and Lord Chesterfield, were sold for \$1,850 to S. B. Price after vigorous bidding. The purchaser of Lord Chancellor and Lord Cheltenham, chestnut geldings, was J. J Ryan of St. Louis, said to be the plunger of "get-rich-quick" notoriety. Ryan gave his address as the Criterion Hotel, this city. Lord Golden II. and Lord Scranton, prize winners, were not sold. Dr. Wentz put them ip for sale subject to a reserve bid of \$9,000. There was no response and then the bid was cut to \$6,000. No one seemed to want the animals at this price, and the doctor, who drove his steeds around the arena, took them back to the stable.

drove his steeds around the arena, took them back to the stable.

A fair price was realized for Lord Golden, chestnut gelding, 10 years old, styled the "champion runabout horse in the world" and winner of a \$500 prize at Louisville last year.

A De Cernen of this city was the buyer at \$2,950. Lord Jolly Boy and Lord Gay Boy, bay geldings, 4 years old, went for \$2,500 to S. B. Price, Hazeiton, Pa. Lord Standard and Lord Teaneck, brown geldings, were disposed of for \$1,000. Both are prize winners. The total of the entire sale was \$17,570.

KEEN CONTESTS IN ARMORY. Company A Wins Point Trophy at Twenty-Second Regiment Games.

The Twenty-second Regiment Athletic Association held its semi-annual games and reception at the armory. Sixty-eighth street and Broadway last night and a programme of sixteen closed and one open event enter-tained a big crowd of spectators. The battle for the highest aggregate score of points for the trophy given for that purpose was keen and for the greater part of the evening it was a neck and neck race between Companies A and F. Toward the end, however, A scooped in some telling scores and captured the prize and first place with a total of 45 points. Company F tailled 28 points and the scores of the others were: H. 17 points; I. 14 points: C, 12 points, E, 9 points and B and

All the contests were keenly contested, and an armory record for the half mile and an American record for the (wall-scaling event were shattered. In the latter contest the Twelfth Regiment scrambled over the fence and over the stipulated space of ground in 40 4-5 seconds, wiping out the old record of 44 seconds, made by the Connecticut Naval Reserves last winter. The Naval Reserves opposed the Twelfth, but could only manage to come in a good second, their time being 42 seconds, which also beat the former record. Walter Kohn of Company A accounted for the new figures in the half mile. His time was 2 mmutes 2 seconds, supplanting the record of 2 minutes 2 2.5 seconds held by H. Bul-ings in 1891 and by E. HARNESS HORSES SELL QUICKLY

PREPONDERANCE OF TROTTERS AT OLD GLORY SALE. Palo Alto Stock Disposed Of at Low Fig-

ures-Noted Young Sire Handspring Brings Only \$1,600-Average of \$320.60 for 132 Head on Opening Day.

All Carden sales records were broken yesterday in the first 100 horses sold at the Old Glory sale. Never before have the same number passed in and out of the ring in the same short space of time, and never before have the same number of trotting bred horses been sold without a single pacer being in evidence. The first pacer reached was after the one hundred mark had been passed, and the breeding would have been about the last in the catalogue from which a pacer would be expected. The sire Handspring has a trotting record of 2:18% and was got by Prodigal, 2:16, a pure gaited trotter from strongly bred trotting families. The dam of the pacer was Atlanta, who produced the champion trotter Alix, 2:03%, and yet this combination produced the first pacer that came into the ring yesterday.

The dispersal of the Palo Alto Stud marks the end of the greatest breeding industry this country has ever known. Many of the ani-mals offered yesterday that sold for a few hundreds had been valued by the breeder at prices that required four figures. The names had become familiar to every student of trotting statistics who followed the lines of breeding that produced more champions than ever stood to the credit of any other nursery of harness speed. Palo Alto has passed from the active scenes, but its in-fluence on the light harness horse will outlive

the present generation.

There were but few sensational offerings and no sensational prices. The buyer of Exconeer, the first offering from Palo Alto, resold the horse in a few hours at 50 per cent. profit. Monbells, 2:23%, the youngest son of the celebrated Beautiful Bells, sold for a very moderate price, when the fame of Chimes, St. Bel, Bow Bells and other sons exception to the general apathy was when Expressive (3), 2:12½, was sold. This mare was probably the best campaigner in her

champions, and see is now just in the prime of life.

Handspring, the grand, young horse who headed the Mariposa stud, made a splendid showing in the ring, and his get had all shown remarkably well. Some enthusiastic spectators predicted he would bring \$5,000. The bidding started at \$500, and, at \$100 each bid, quickly went to \$1,300. Then it leaged and A. J. Weich's bid of \$1,600 got him.

The evening sale opened bright and spirited and prices ruled good. Old Red Wilkes, nearly thirty years old, came into the ring with a quick, alert step, like a horse still in the prime of life. The bidding was spirited, and he sold at \$775 to the well known breeders, Powell brothers. Consuma S. 2:122, was, in the opinion of many, the gem of the entire day. She represents Monroe Salisbury's ideas of breeding a champion. CONSIGNMENT OF PALO ALTO STUD, MENLO PARK, CA

COURT CALLS NEELY THIEF. He Can't Get Back the Stolen Cash He

military occupation of that island. has lost his case on a motion made in the United States Circuit Court to vacate the attachment lodged by the United States against \$20,000 cash deposited by Neely as bail.

By an act of amnesty which the Cuban Government politely passed in May, 1902, all Americans convicted of crime in Cuba during our military occupation were pardoned. Neely, when arrested in this city in 1900, deposited \$20,000 cash bail for his appearance in Cuba to stand trial. He was convicted, but saved from imprisonment by the act of amnesty.

Prior to May, 1902, however, the United States had begun a civil action against Neely to recover the \$20,000 cash bail, which by nine points of the law it already had Capt. Ball, the prosecuting United States District Attorney pointed out that the money never was the property of Neely, and that the act of amnesty did not make Cuba's money Neely's money, although it had saved him from imprisonment.

Judge, Lacombe upheld this. "It is difficult to understand," he aid in his opinion, "by what process of reasoning a provision as plain as this [i. e. the Cuban amnesty act] can be so construed as to transfer the titl: to prop rty from the inue owner. the tief wi

YACHT FOR F. W. VANDERBILT. The Conqueror, Designed by Watson, Will He Ready for Launching Next Month.

F. W. Vanderbilt is having a fine steam pany at Troon, Scotland, from designs by George 1. Watson: The new boat, which will be named Conqueror, will be ready for launching next month. She is 239 feet long on the water inc. 22 feet 6 inches beam and about 1,200 tons measurement. The bow is of the familiar clipper type and the counter long and shapely, and in appearance the new boat resembles the Nahma very much. She will have twin screws, driven by two sets of quadruple expansion engines of about 2,700 horse power. It is estimated that her speed without undue driving will be fifteen knots an hour.

The principal sleeping rooms are on the lower deck. On the main deck in a large deck house there are the dining saloon, be doing, galleys, pantries, bathrooms, &c. A shade deck amidships forms a plendid promenade, and there are several smaller deck houses. Above this there is a flying bridge, from which the havigation of the vessel will be conducted. The quarters of the officers and men are forward.

SYNDICATES AFTER THE CUP. Talk of Three Combinations to Build Boats and Select Challenger.

Special Cable Despatch to THE SUN. GLASGOW, Nov. 2?.—The Herald's yachting reporter coffirms the report that a syndicate of Clyde yachtsmen is likely to challenge for the America's Cup next year. It is suggested that Messrs Coates, Clark and Donaldson will head three separate syndicates which will have three yachts designed by Watson, Fife and Mythe. The yachts will be raced throughout the summer and the one that proves the best will be selected as the challenger for 1905.

Mr. Fonaldson said to-day that so far as he was concerned there was no truth in the report. Mr. Donaldson entirely discredited the story of a challenge by a Clyde syndicate. GLASGOW, Nov. 23 .- The Herald's yacht-

Commodore Morton F. Plant's schooner yacht Ingomar is at Bristol, where some changes will be made before the yacht leaves for the other side. One thing to be done is big penaity. It is said that when on the other side the Ingomar will challenge for a race for the Cape May cup, which is held by the Royal Yach t Squadton.

Through the defeat of the Forest Hill team at Elizabeth by the Town and Country Club, the South Orange Field Club has won the championship of the East Jersey Golf Association, but if Forest Hill had won there would have been a tie, and a play-off would have been necessary. The Town and Country Club won the title last year. The South Orange Field Club received a large silver trophy and each member of the team a silver trophy and each member of the team a silver trophy and each member of the team a silver trophy and each member of the team a silver trophy and each member of the team a silver trophy and each member of the team a silver trophy and each member of the team a silver trophy and each member of the team, so the league, with their points, were:

Marston, Forest Hill, 899; Van Vechten, South Orange, 448, Phraner, Canoe Brook, 419; Taylor, Forest Hill, 376. Jerolemon, South Orange, 389; Griswold, 304; Van Duhn, Canoe Brook, 278.

The association's secretary, Frank H. Thompson, states that the season has been one of unusual gratification, the series having been free from all friction and a feeling of good fellowship having been bromoted, which is of more importance to the future of the league than the mere winning of matches. The results of the individual championship, held at the Yountakah Country Club, were: Championship and silver cup presented by Paul Heller, Howard Giffen, South Orange; league cup for runner up, Gus Van Duhn, Canoe Brook; consolation cup, presented by G. B. Jenkinson, E. M. Sanford, South Orange; league cup for third eight, Albert Milligan, Elizabeth Town and Country
